Invitation

It is my proud privilege to welcome all the delegates and renowned national and international faculty for the 4th RAJ ENDO GYNAE UPDATE organized by Jaipur Doorbeen Hospital, Jaipur in conjunction with Association of Gynae Endoscopic Surgeons of Rajasthan (**AGES-R**) & FOGSI Endoscopic committee to be held on 1st & 2nd September, 2018 at Hotel Royal Orchid, Jaipur.

The objective of this meeting is to offer a global platform to interact with pioneers in the rapidly advancing field of Gynae Endo surgery and also promises an enriching educational and professional experience.

Perfection is a lot of little things done right. These little things that differentiate intellectuals from innovators, students from scholars and pioneers from proficients.

Learn the pearls of wisdom and tricks of the trade from the pioneers.

Hoping to see you attend this event and leave enriched in knowledge and enhanced in skill.
